*Ride for a Reason* is not a race. We ride at touring pace, regrouping at the top of climbs. The Ride is a charity fundraising event on open roads with other traffic. We ride in bunches of approximately 15-20 riders according to ability. Please indicate below your preferred bunch pace (based on your regular rides). NB: If you are finding it hard to stay with your bunch you may be asked to drop back to a slower bunch. We regroup at the top of all climbs, nobody gets left behind! All bunches will have at least two Ride Captains. There may be multiple bunches in each grade.

**As an indication, please tick your preferred bunch below to help us estimate approximate bunch sizes. (kph indicates average speed on the flat):**
